3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Training (DET) provides per capita funding as a contribution towards the costs of the four-year-old and three-year-old kindergarten program, for each child who is enrolled and attending a funded kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible children to attend the four-year-old kindergarten program at minimal or no cost.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in *The Kindergarten Funding Guide* (refer to *Sources*).

Regulation 168(2) (n) of *Education and Care Services National Regulations 2011* requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged

and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy* requirements (refer to *Definitions*), and be responsive to the local community and the viability of the service. *The Kindergarten Funding Guide* (refer to *Sources*) outlines the criteria to be covered in the policy.

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Charter of Human Rights and Responsibilities 2006* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulation 168(2)(n)
- *Equal Opportunity Act 1995* (Vic)
- *National Quality Standard*, including Quality Area 7: Governance and Leadership
 - Standard 7.3: Administrative systems enable the effective management of a quality service.

AUTHORISATION

This policy was adopted by the Approved Provider of Balwyn East Kindergarten on Monday 19th November 2021.

REVIEW DATE: 19/11/24

ATTACHMENT 1: Fee information for families

1. WHY FEES ARE NECESSARY

The Department of Education and Training (DET) provides funding for each child enrolled and attending kindergarten as a contribution toward the costs of providing the program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old and a three-year-old kindergarten program free of charge or at a minimal cost.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Balwyn East Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. HOW FEES ARE SET

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of the *Kindergarten Fee Subsidy – Fees Policy* (details in the *Victorian kindergarten policy, procedures and funding criteria* document available at www.education.vic.gov.au).

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

3. OTHER CHARGES

Other charges levied by Balwyn East Kindergarten are included on the Statement of Fees and Charges. These include:

- **Kindergarten Fee Deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as part-payment of Term 4 fees, and is deducted from the Term 4 invoice (if there are no outstanding fees). If a family (not eligible for a Kindergarten Fee Subsidy) pays its fees a full year in advance, the Kindergarten Fee Deposit is deducted from this annual invoice. This deposit is not refunded if a family does not pay Term 4 fees. For example, if a family withdraws from the kindergarten in Term 2.
- **Refundable Maintenance Levy:** This levy is paid in Term 1, but will be refunded at the end of Term 4 by electronic funds transfer (EFT) following the attendance of two hours at a working bee held throughout the year together with parent help (minimum of one day per term) or committee member (minimum number of six meetings per year). The maintenance levy refund is not off-set against the Term 4 invoice and will only be refunded once all outstanding fees have been paid. The maintenance levy is a family levy and is only paid once per annum by each family, regardless of the number of children attending the service.
- **Non-refundable Equipment Levy:** This levy is retained by the service and is paid each term, or up-front if paying annually. This levy is a family levy and the total amount is only paid once per annum by each family, regardless of the number of children attending the service.
- **Late Collection Charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management.

4. STATEMENT OF FEES AND CHARGES

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

5. FUNDRAISING

Not all service costs are covered by DET per capita funding and the fees charged. A non-refundable equipment levy is included in your fees. Supplementary fundraising may also be undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged.

6. SUBSIDIES

6.1 Kindergarten Fee Subsidy

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend 15 hours of kindergarten free of charge for 4 year old kindergarten or pro-rata for 3 year old kindergarten. Eligibility conditions may change from time-to-time and must be checked in the most recent edition of the *Kindergarten Funding Guide* (refer to *Sources*).

Families may be eligible for the Kindergarten Fee Subsidy if their child:

- is Aboriginal and/or Torres Strait Islander; or
- holds, or has a parent/guardian who holds a Humanitarian or refugee Visa; or
- is a multiple birth child (triplets or more); or
- holds, or has a parent who holds a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Affairs Card.

Exclusions and exceptions: Not available for approved child care services in receipt of Commonwealth Child Care Subsidy.

Where a child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander, no verification is required.

In all other instances, supporting documentation should be sighted by the service on acceptance of a place or on commencement in the program, however where there are delays, such as in obtaining health care cards for children in out-of-home care, the delay should not provide a barrier to the child accessing the Kindergarten Fee Subsidy. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

7. PAYMENT OF FEES

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated in the letter. Each invoice will be accompanied by payment instructions. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the receipt of the invoice.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Committee of Management's President to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial and personal circumstances.

8. UNPAID FEES

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date.
- Where payment is still not received, families will be invited to attend a meeting with members of the Committee of Management to discuss the range of support options available and establish a payment plan.

- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- The Committee of Management reserves the right to implement a late fees charge of \$20 per term when parents/guardians are late in paying their fees.

9. REFUND OF FEES

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a partial refund of the applicable term fees will be provided. Fees may still apply for programs offering more than the required minimum hours per week. Levies, such as equipment and maintenance, also must be paid.

In all other cases, fees are non-refundable. There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- a child defers or withdraws from the service
- family holiday
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances
- a child does not turn three until after the program has commenced (refer Section 12)
- a family moves.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

Exceptional circumstances may apply and these should be put in writing to the Committee of Management for its consideration. Any decision will be at the discretion of the Committee of Management.

Exceptions may apply when a year's fees have been paid in full, and the child withdraws before the end of the year. Families withdrawing from the kindergarten during the year should complete the Withdrawal Form available from the kindergarten.

10. KINDERGARTEN FEE DEPOSIT

This payment of the Kindergarten Fee Deposit secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as part-payment of Term 4 fees, and is deducted from the Term 4 invoice (if there are no outstanding fees). If there are outstanding fees, the Kindergarten Fee Deposit may be kept by the service to offset the outstanding fees.

If a child does not attend the service in Term 4 (or Term 4 fees are not paid), the Kindergarten Fee Deposit is not refunded to the family. For example, if a family withdraws from the service before the end of Term 4, the Kindergarten Fee Deposit is not refunded.

11. FULL PAYMENT OF YEAR'S FEES

Families are given the option to pay a full year's fees in advance. If this occurs, a family will receive a 2.5% discount on their fees. They will also receive a refund of their Kindergarten Fee Deposit (off their invoice) when the fees are paid. However, levy payments are not discounted by 2.5%.

Families who are eligible for a Kindergarten Fee Subsidy (for example, Health Care Card holders) are not able to pay their fees a full year in advance.

If a child does not attend the service for a full year after paying in advance, the family will receive a pro-rata refund as calculated by the service. This would not include a refund of the Kindergarten Fee Deposit.

Refunds are not given for terms partly attended. For example, if a child withdraws in Term 3, the remaining Term 3 fees are not refunded, only Term 4.

12. CHILDREN TURNING THREE DURING THE YEAR OF ENROLMENT

Children can only commence the program when they have turned three.

13. HOLDING PLACES

If a family wishes Balwyn East Kindergarten to hold a place for their child in three-year-old or four-year-old kindergarten as they cannot commence immediately (outside the scenario in Section 12), all relevant term fees and levies must be paid to hold a child's position. This may arise in a situation where a family is living overseas, but is intending to return to Australia in the near future.

14. COMMENCEMENTS DURING THE YEAR

Children commencing at the kindergarten throughout the year will be invoiced pro-rata term fees and maintenance levy. An equipment levy of \$30 per term will still be charged regardless of when during the term the child commences.

15. SUPPORT SERVICES

Families experiencing financial hardship often require access to family support services. Information on these services is available from the service and a list can be supplied to those families who require it.

16. NOTIFICATION OF FEE CHANGES DURING THE YEAR

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget break-even point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option of a payment plan.
